## 7. Plan finances

- The *Erasmus+* grant for studies is a Grant awarded by the University for the student who participates in the *Erasmus+* mobility for studies (minimum eligible duration of physical mobility to another country than Lithuania is 3 months).

	Countries	Amount of <i>Erasmus+</i> Grant for Studies
1.	Ireland, Denmark, Iceland, Liechtenstein, Luxembourg, Norway, Finland, Sweden, United Kingdom	600 EUR/month
2.	Austria, Belgium, Cyprus, France, Germany, Greece, Italy, Malta, Netherlands, Portugal, Spain	600 EUR/month
3.	Bulgaria, Croatia, Czech Republic, Estonia, Hungary, Latvia, Poland, Romania, Serbia, Slovakia, Slovenia, North Macedonia, Turkey	540 EUR/month
SEMP	Switzerland (Swiss-European Mobility Programme)	700 EUR/month

## 8. Collect info about VISA and TRP (if applicable)

Students going for Erasmus+ mobility MUST have TRP (Temporary Residence Permit) of Lithuania and the TRP of Lithuania must be valid during the entire mobility period.

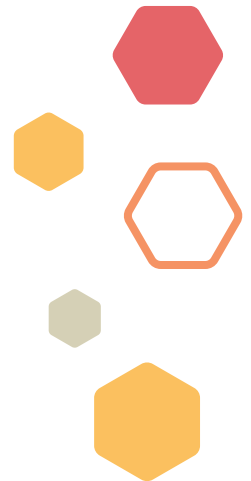

While having a TRP of Lithuania (it proves that you are an outgoing mobility participant from Lithuania) you might also have to apply for relevant permission in the host country ( e.g. VISA), if such is a requirement of the host country for incoming students for longer than 90 days.

Check if and when you need to apply for VISA and Temporary Residence Permit for studies at the Host University.

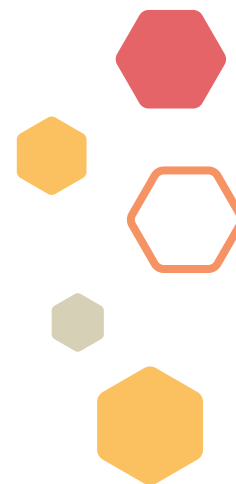

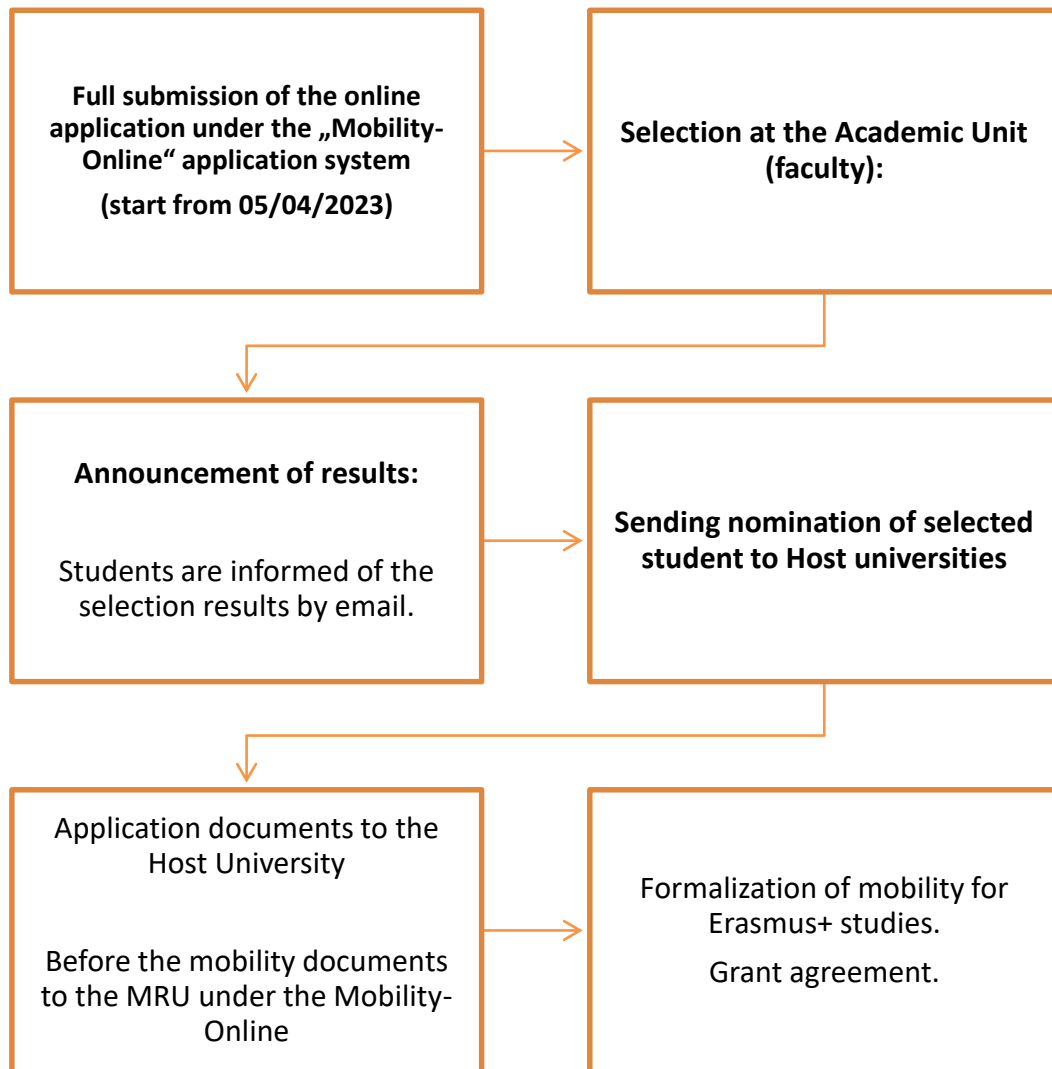

### **For MRU students with non-EU citizenship:**

- TRP of Lithuania;
- VISA of Host country.

**For MRU students with EU citizenship:** VISA of Host Country (KA107/KA171 mobility activity).

## Participants (students) feedbacks

*Džiaugiuosi turėjusi galimybę išvykti pagal studijų mainų programą į Čekiją, Prahos Policijos akademiją. Tai buvo puiki galimybė išlipti iš savo komforto zonos, pamatyti bei išmokti kažką naujo, tiek mokslo srityse, tiek gyvenime. Prahos policijos akademijoje pasirinktus dalykus dėstė šaunūs ir motyvuoti dėstytojai, kurie stengėsi, kad iš paskaitų pasiimtume viską, ką galime geriausia. Akademijos „Erasmus“ koordinatorė noriai mums padėdavo spręsti iškilusius klausimus ir visada pasitikdavo su šypsena.*

*Praleistas laikas Čekijoje tapo vienu įsimintiniausiu mano gyvenimo įvykiu. Ateities studentams siūlau nebijoti ir priimti visas teikiamas gyvenimo galimybes, nes išvykus, tikrai nesigailėsite.*

*<...I have gone to Lyon, France, for the autumn semester of my Erasmus+ studies. I studied at Jean Moulin University (Université Jean Moulin Lyon 3)...>*

*<... I've wanted to study abroad for a long time. My biggest dream was to study in France, as I have always been interested in French language and culture. I wished to improve my French skills and my dream came true...>*

*<... my studies didn't take up all my time, and I also had the opportunity to travel around Lyon. I visited many wonderful and interesting places in Lyon...>*

*<...it was the best and most wonderful experience of my life. I am glad I had the opportunity to study abroad. I met friendly people in Lyon. I found a friend who supports and helps me. This experience has given me more confidence. I don't regret this decision! Thank you very much Jean Moulin University for this opportunity! Merci!...>*

*<... This program gives you the opportunity to adapt to completely different conditions, make friends with people from different countries, get inspired and imbued with the atmosphere of the city, country, locals, food. To go into the unknown and be independent, that's what this trip gives...>*

*<... We had many trips and joint activities...>*

*<... I will never forget amazing people from different parts of the world I met here ...>*

*<...During the semester here I had the opportunity to visit many beautiful places, and I am very satisfied with it...>*

*<... Erasmus+ programme is a wonderful opportunity for everyone to develop themselves and change their lives forever. Therefore, I highly recommend everyone who is hesitant to take a risk and participate in this programme. It is really worth it...>*

*My days were filled with new amazing friends and never-ending adventures. I decided to come to **Turkey** earlier, to explore and get to know the country better. Beautiful beaches, mountain views, and welcoming culture were a great surprise to me. The locals were so friendly and hospitable, I felt a great connection with the place. **Living in a new country is a challenge, but so crucial to your self-growth.** At the end of everything you feel at ease because after all the challenges faced nothing seems the same anymore. **I am so grateful for the opportunities youth has because of the European Union and I just highly recommend stepping out of your comfort zone and joining any type of Erasmus project or exchange!***
