

Ready for a work placement experience that's as fulfilling as unforgettable? At Bella Vista Hotel in Corfu, we offer students the chance to blend professional development with an island adventure straight out of Greek mythology. Spending days gaining hands-on experience in hospitality or social media marketing, and evenings exploring beaches and the picturesque Old Corfu town. Whether it's mastering the hotel management or creating social media marketing campaigns with stunning Mediterranean backdrops, this is an opportunity that offers both **personal and professional growth** in one of Greece's most beautiful settings—*think Mamma Mia !*

We are pleased to offer flexible internship programs (3–9 months) in Hotel Management, Tourism, and Marketing for **2025**. Each placement is designed to ensure students gain comprehensive, hands-on experience in:

- **Hotel Operations:** Reception, guest relations, reservations, and even night management for those seeking a management-focused role.
- **Social Media & Marketing:** Create dynamic content, assist with online Social media campaigns, manage guest reviews, and help promote the hotel across platforms like Instagram and TikTok.
- **Management & Sales:** Support with reports, market research, and sales strategies while working alongside the hotel's leadership team.

Internship Include:

- Free shared accommodation, just a 2-minute walk from the beach and the hotel
- Daily breakfast and six homemade lunches per week
- 40-hour work weeks with flexible schedules and two days off per week
- Endless opportunities to explore Corfu, from hiking scenic trails to visiting historic sites
- Full assistance with Erasmus funding and documentation

Additionally, interns won't have to worry about commuting expenses since the accommodation is conveniently located within a two-minute walking distance from the workplace. .

We've successfully hosted internships for several years and believe in offering students a well-rounded, **enriching experience** that allows them to explore both their professional ambitions and the natural beauty of Corfu. This program not only enhances their skills but also promotes cultural exchange, teamwork, and confidence—all while creating lasting memories in a place where ancient myths meet modern hospitality.

If your school has a job board or career placement service, we would love to share these opportunities with your students. Feel free to contact us for more details, or let us know how we can support your students' application process.

If ready to combine work, culture, and the Mediterranean Mamma Mia lifestyle, we are awaiting for cover letter and CV to: manager@bellavistahotel.gr
