

Considering our academic cooperation, we cordially invite Students from your University to participate in the Summer University Warsaw 2025, organized by the SGH Warsaw School of Economics from July 2nd to July 12th, 2025.

We would like to inform you that the recruitment process for Summer University Warsaw 2025 has started. This year we offer 5 academic courses covering such areas as: Startup Entrepreneurship; Product and Brand Management; Firms Strategies in International Business; Creative Problem-Solving Process and Design Thinking; and Coaching. In the afternoons we provide sightseeing in Warsaw and opportunity to visit UNESCO World Heritage sites like Krakow and Wieliczka Salt Mine.

The maximum number of students applying from one university is 10. The application form and course details can be found on the [SUW website](#). Additionally, here is a [brochure](#) ready for print and containing essential information.

PhD Joanna Tabor-Błażewicz serves as SUW Academic Director - you may contact her at jtabor@sgh.waw.pl while Mrs. Barbara Osuch is the SUW Coordinator for this year's edition and her e-mail is bzacze@sgh.waw.pl.

We look forward to seeing you in July!

Best regards,

SUW Organizers
